Objective

Motivated and eager-to-learn Web Developer with experience in HTML, CSS, JavaScript, and Responsive Design. Currently pursuing a Bachelor's Degree in IT with an emphasis in Software Engineering at the University of the Cumberland. Certified in Responsive Web Design by freeCodeCamp. Looking for an internship or entry-level web development role to apply and enhance my skills, gain hands-on experience, and contribute to a dynamic team.

Skills

Web Development: HTML, CSS, JavaScript, Responsive Design

Tools & Frameworks: Visual Studio Code, Git, GitHub, Figma (Basic)

Version Control: Git, GitHub

Web Design: Mobile-first design, responsive layouts, UI/UX basics

Problem Solving: Basic debugging, troubleshooting, and code optimization

Soft Skills: Strong communication, time management, customer service experience & Self Motivation

Education

University of the Cumberland (Online) - Bachelor of Science in Information Technology, Emphasis in Software Engineering (Expected Graduation: Spring 2026, Credits: 68)

Northern Virginia Community College - Career Studies Certification in Network Administration (Graduated: Summer 2024)

freeCodeCamp - Responsive Web Design Certification (Completed: [Feb, 2025])

Coursera (Duke University) - Fundamentals of HTML, CSS, and JavaScript (Completed: [Oct, 2022])

Codepath.org - Introduction to Web Development (Completed: [Mar, 2025])

Projects

Personal Portfolio Website: Developed a personal portfolio website using HTML, CSS, and JavaScript to showcase my skills, projects, and background. Implemented responsive design techniques to ensure mobile-friendly layouts. Posted the code on GitHub for easy access and sharing.

Nail Salon Website: Built a website for a nail salon using HTML, CSS, and JavaScript. Integrated booking forms, service descriptions, and a clean, responsive design to enhance the customer experience. Hosted the project on GitHub as part of my portfolio.

Experience

Licensed Manicurist - Nails Pro Salon (August 2021 – Present) - Provided high-quality manicures and pedicures, ensuring a great customer experience. Managed customer appointments and ensured a smooth client workflow. Developed strong communication skills, delivering excellent customer service.

Server & Bakery Seller - Jackson Donut Shop (January 2020 – August 2021) - Provided customer service, took orders, and handled payment transactions. Assisted with daily bakery operations and product display, contributing to increased sales.

Dishwasher & Busboy - VN Restaurant (June 2017 – September 2018) - Assisted in cleaning dishes, maintaining a clean environment, and supporting the front-of-house team. Ensured that all guests received timely and high-quality service.

Additional Information

Freelance Web Development: Created basic websites for local businesses and personal projects, utilizing HTML, CSS, and JavaScript.

Actively contributing to open-source projects on GitHub to further my web development skills.

Continuously learning and experimenting with JavaScript frameworks and web development best practices.
